Hi Sarah,

I have CC'ed Officer Ruelas who is the Senior Lead Officer for this area.

Officer Ruelas has had this encampment on his radar for sometime.

If you could please provide us with a date on when the fence can be installed.

This will help us coordinate a removal and clean up of the pump station.

Thank you,

Hi Karen,

I am waiting to hear back from the staff. Have you sent any of these to LAPD?

Hi Sarah,

Just wanted to update you, the homeless encampments at the pump station have drastically grown. It seems that they are running a makeshift bike shop from the location.

There is also an RV and car taking camp in the parking lot.

Can you please let me know when we can expect for these encampments to be removed.

Thank you,

The teams are waiting on the contractor to do the fencing. And then they will schedule the cleanup. I will follow up with the managers on the waste water side and ask them the status of the fencing.

Hi Sarah,

I drove by today and noticed that there are more encampments that are trespassing at the pump. Please refer to the attached pictures.

Additionally, there is an RV and 1 sedan taking shelter in the parking lot as well.

Can we please send out a team to address this as soon as possible?

Thank you for your help,

They are working on it along with all of their other requests. They have asked their contractor for an estimate for the fence and are working to schedule a date.

Hi Sarah,

I have attached a picture of a water pump across

I wanted to put it on your radar as there are  
currently 2 encampments within the property.

There also seems to be an RV taking shelter within  
the surrounding parking lot.

Could you please confirm whether or not this  
property belongs to Sanitation?

If so, can we please send out a team to address this  
matter.

Please let me know if there is anything our office  
can do to help.

Thank you,
